Mildura Cruises was born out of the love of living by the Mighty Murray River and the experiences that the McLaughlan family grew up with. Back in December 2016 the husband and wife team purchased the Riverqueen Voyager from the 'River King' Wayne Roberts and Gayle Kennedy who were the founding operators for over 17 years.

Dennis and Veronica embraced this newfound adventure due to the many water cruises they had experienced with Wayne and Gayle. They enjoyed the pleasure of getting on the boat, having a sip and enjoying a nibble whilst they floated along the Mighty Murray River. An extremely relaxing way to see this local beauty.

We now fast forward to 2022 and the McLaughlan family have now grown their business and expanded their fleet to THREE vessels operating throughout the year.

It is a natural progression that a new generation of Tierneys continue the family legacy with Frank, where they will take good old fashioned values and service into the future.

Partnering with Frank is his son Ryan, creative, friendly and enthusiastic, Ryan headed an award-winning sales team in commercial radio, before in 2014 turning his marketing and business skills to delivering exceptional results for a growing list of real estate clients. Alongside Ryan is his wife Belinda, together the two make a dynamic husband-and-wife team.

Ryan is resourceful and energetic, and Belinda organised and efficient – a combination of skills providing a complete perspective to marketing and selling properties in the region they love.
